Interactive Kids Camps to Raise Funds for Make-A-Wish Foundation®

[May 22, 2006] Chicago, IL - It's not too early to mark your child's busy summer calendar for GreenApple Camps Saturday BigBuilds with LEGO and KNEX to benefit Make-A-Wish Foundation®. GreenApple construction camps offer a fun and exciting educational experience in a hands-on active learning program. We build excitement!

WHAT: Saturday BigBuilds are a perfect addition to your weekend activities in or around the city. Saturday BigBuilds give kids the opportunity to create the Chicago Lakefront with GreenApple! Children will use LEGO and KNEX to create a HUGE BigBuild to include the Sears Tower, Hancock, Navy Pier Ferris Wheel, Lincoln Park Zoo and many famous Chicago bridges and attractions. Parents feel free to drop by at 3:30 for pictures and a final unveiling of the finished creation.

WHEN: Three separate events will be held at Benedictine University in Lisle, DePaul University Chicago and Northern Illinois University, DeKalb.
